RESIDENT SUMMER WATERING & POOL FILLING POLICY

The City of Moose Lake is implementing a summer watering and pool filling policy. The policy will provide adjustments to your monthly sewer fees only, for usage between June 18th and September 18th. No adjustments will be made for usage earlier or later than those dates.

It is the customer's responsibility to notify Moose Lake Water & Light if you will begin using water for those purposes. If a customer fails to notify Moose Lake Water & Light, we will only go back one month when applying adjustments. The one-month grace period is only applicable to 2024.

Moose Lake Water & Light will take the current month's higher usage less the average usage from the preceding 9 months to calculate the adjustment.
